Sponsor Opportunities

The EuRA Congress is one of the best networking opportunities in our industry and is limited to 700 delegates. From our networking lunches, welcome reception on Tuesday, our spectacular gala dinner on Wednesday to the party night on Thursday, we build as many opportunities for delegates to meet and talk as possible. The conference programme has been extended to allow for partner meetings on Monday and Tuesday, with the conference

opening taking place on Tuesday morning. Following feedback, we will be limiting the maximum number of delegates from a single company to four with certain exceptions for sponsors whose financial contribution allows us to not increase delegate prices. Details of the remaining sponsor opportunities are listed below. If you're interested in sponsoring please don't hesitate to contact us with any questions briony@europa-relocation.com

Here at EuRA we've been working to try and reduce the resources we consume. This year we are reducing the number of disposable display stands printed, instead we will increase sponsors' profiles before and during the event via our bulletins, social media channels and of course our App. We are reducing the printed programme and no longer produce a delegate list as all this information is on our event app.
